Welcome to Jersey Overseas Aid

Jersey Overseas Aid (JOA) is the Island's official, publicly-funded relief and development agency.

JOA's mission is to translate the generosity, skills and compassion of the people of Jersey into effective assistance for the world's most vulnerable people. JOA distributes funding to help people become economically resilient as well as helping those impacted by natural and manmade disasters.

JOA also offers opportunities for Islanders to get involved in international development and contribute to worthwhile projects abroad.

This portal will enable you to submit proposals for funding, manage existing grants and apply for bursaries and volunteering opportunities with JOA.

Check our website www.joa.je for more information about funding opportunities and volunteering. Please [email us](mailto:email@joa.je) if you have any questions about registering or using this portal.

Please note: You must be over 18 and have been resident in Jersey for at least 5 years to apply.

Please complete the contact information on the registration form. Once this is submitted you will receive a registration email containing your username and temporary password to access the SmartSimple system, ready to apply for a volunteer project.

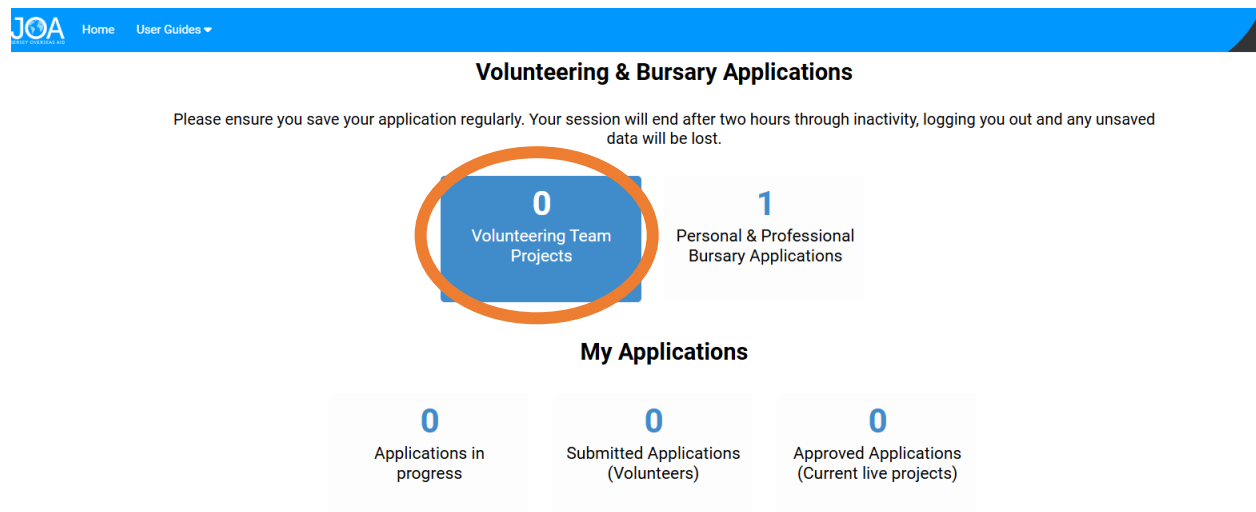

It may take up to 5 minutes for the username and password to be sent to your email address. Please check your junk/spam folders if your registration email does not appear directly into your inbox.
